Rewards Program

Golfers playing Tucson City Golf courses now earn free rounds of golf based on the number of individual paid rounds they play each calendar year at Tucson City Golf courses. To participate, golfers are required to have their Resident Rewards Card or Non-Resident Rewards Card scanned each time they individually pay for a round of golf at one of our courses. (A golfer's Resident Card is now their Resident Rewards Card.) Any golfer who does not meet our residency requirements may purchase a Non-Resident Rewards Card for \$75. The Non-Resident Rewards Card entitles the bearer to all privileges and discounts afforded to a Resident Rewards card holder. A Non-Resident Rewards Card may be renewed for any subsequent calendar year for a fee of \$50. Call or visit any Tucson City Golf Pro Shop for more information on the Rewards Program.

Slow Play

Tucson City Golf has implemented a system to increase speed of play on golf courses. Upon request of any Tucson City Golf employee, players out of position will be required to move into position. Players are considered out of position when the group ahead of them has completed a hole, and the following group is not on that tee box. Failure to move to the next hole when requested will result in forfeiture of the player's daily greens fee permit. City Code Section 21-24(7)

What is an off-leash dog area?

An off-leash dog area is defined as a designated public area, normally, but not always, within an existing City of Tucson park location, that is designed for use by dogs and their owners. Some off-leash sites are fenced into separate areas for large and small dogs, and some may feature dog training areas. Amenities, including ramadas and picnic tables, differ by location. There is no charge to use a City of Tucson off-leash dog area. Dog owners are required to follow posted regulations at each site and maintain control of their pets at all times.

Christopher Columbus Park

The City of Tucson operates a lighted off-leash dog park at Christopher Columbus Park, 4600 N. Silverbell.

The 14,000-square foot facility is open from dawn until two or three hours after dusk (due to automatic turn on/turn off of lights) and is free to the public.

The fenced facility, which opened in February 1999, features a Fido Fountain, scrambling area and shaded area with ramada. A scooper dispenser is located at the site.

For more information, contact the Northwest District at 791-4873, Ext. 0.

Gene C. Reid Park

An off-leash dog area is featured mid-town at Reid Park, Country Club and 22nd Street.

It is located just across from the Reid Park Zoo entrance on a converted Little League field. The site opened in March 2002.

The lighted and fenced one-acre site features a large open area, water source for dogs and a scooper dispenser.

The area is partitioned for large and small dogs. Hours of operation are 7 a.m.-9 p.m.

For more information, contact the Zoo and Reid Park Operations District at 791-3204.

Palo Verde Park

Located at 300 S. Mann Ave. (south of Broadway and west of Kolb), this off-leash site opened in June 2003.

The 18,000-square-foot site features an enclosed turf area for dogs.

Amenities include picnic tables, trashcans, a 5-foot chain link fence, double entry gates, drinking fountain (dog friendly) and pooper scooper dispenser.

For information and park hours, contact the East District at 791-5930.

North Sixth Avenue Dog Park

Located at 2075 N. 6th Ave., across from the Northwest Center, the site was opened in June 2004. The fenced site features a large turf area, ramada, tables, wash area and double entry gate.

For information and park hours, contact the Northwest District at 791-4873, Ext. 0.

Udall Park

Opened in December 2004 at Udall Park, 7200 E. Tanque Verde, this popular fenced and double gated, one-acre site features a large turf area. It also includes trash cans, seating area and available water for dogs.

The facility is open daily from 6 a.m. until 10 p.m.

For information contact the East District at 791-5930 or the Udall Center at 791-4931.

Jacobs Park

The City's newest off-leash dog area was completed early in November 2005 at Jacobs Park, 3300 N. Fairview Ave. The small off-leash dog area is located on the west side of Jacobs Park.

For more information contact the Northwest District at 791-4873, Ext. 0.

Summer Swim Lessons are back!

Registration lines are gone!

To eliminate registration lines while providing the personal contact necessary for safe, accurate placement of children, registration for this summer's four two-week sessions will be by lotteries held at each pool.

Swim lessons are offered in four sessions during June and July. Each pool will conduct a registration lottery for each class session to place children in swimming lessons. The lotteries will be held after a six-day sign-up period at each pool, so signing up early is no longer necessary, even at our busiest pools.

Here's How the Registration Lottery Works:

Use EZEEreg On-line (www.EZEEreg.com) or EZEEreg by Phone (573-3933) to obtain a Confirmation Receipt for each child and lesson session. There is a non-refundable \$2 registration fee per child/per session. You will receive a copy of the Confirmation Receipt by mail if you register by phone. Be sure to print the Confirmation Receipt if you register on-line. You'll need it to sign-up for the lottery at the pool. Detailed information about using EZEEreg is available on page 51.

Swimming Lesson Sessions are as follows:

Session Dates	Course Code	Cost*
Session 1 - June 5-16	Code: 41557	\$2
Session 2 - June 19-30	Code: 41558	\$2
Session 3- July 3-14	Code: 41559	\$2
Session 4 - July 17-28	Code: 41560	\$2

* Nonrefundable registration per session, per child.

Step Two ·····

Take your EZEEreg Confirmation Receipt to your pool of choice during the six-day sign-up period and fill out the lottery form indicating which lessons you would like. A description of each level of lessons can be found on page 43. Our staff will help you determine the proper lesson placement for your child. You may also indicate 2nd and 3rd choice pools should you not be selected for placement at your 1st choice pool. You must have your

Confirmation Receipt to enter the lottery at the pool.

Fill Out Lottery Forms	Lottery Drawing	Rosters Posted at Pools
Session 1: May 25 – 30*	May 31	June 1 - 5 p.m.
Session 2: June 8 – 13**	June 14	June 15 - 5 p.m.
Session 3: June 22 – 27**	June 28	June 29 - 5 p.m.
Session 4: July 6 – 11**	July 12	July 13 - 5 p.m.

Note: *Noon-7pm each day at all pools.

** Noon-7pm on days the pool is open.

All pools will be closed on Memorial Day, Mon., May 29.

At the conclusion of the sign-up period, the lottery forms will be randomly drawn at each pool and class rosters will be formed. <u>City residents will be placed in classes before non-residents are drawn.</u> Class rosters will be posted at the pools on the Thursday before each lesson session begins. Those placed at their 2nd or 3rd choice pools will

be notified by those pools. Be sure to check the posted rosters or call the pool to confirm your child's placement in a class. Pool phone numbers are on page 7.

What if I miss the lottery registration period?

A Walk-in Registration period will begin the day after the lottery results are posted at the pools. You may sign up from 1 p.m. until closing (on days the pool is open) for any remaining lessons at any pool even if you did not obtain a Confirmation Receipt. All Walk-in Registrations will cost the regular \$2 per session fee which is payable at the time of registration at the pool. No Discount Program available for walk-in registration. No walk-in registrations will be accepted at the pools during the lottery sign-up periods.

Walk-in Registration	<u> Classes Start</u>
June 1 – 4	June 5
June 15 – 18	June 19
June 29 – July 2	July 3
July 13 – 16	July 17
	June 1 – 4 June 15 – 18 June 29 – July 2

Important Information:

- 1. The Confirmation Receipt will be used to determine residency and head of household status. It must be brought to the pool to complete Step 2.
- 2. Pools will post tentative class schedules on the first day of the lottery signup period for each session at each pool.
- 3. All pools will offer Level 1 4 classes each session if the minimum enrollment of six per class is met.
- 4. Water temperature may limit Parent and Child class offerings for Session 1.
- 5. Levels 5 and 6 are most likely to be offered during sessions 3 and 4 at pools with large competitive and synchronized swimming programs.
- 6. Children will be tested on the first day of each session. The test will consist of the exit skills for the preceding level class. See the chart on page 43 for the required skills for each class level. If children do not meet skill requirements, we will attempt to place them in appropriate classes; however, space may be limited.
- Children who miss the first two days of class without notifying the Pool Supervisor will be dropped from the class.

Berry Texturing Metal Conforming Wire Dies - Age 17+ - June 3-4

Call (520) 290-8503 or email: patglover@comcast.net to register. Co-sponsored by National Endowment for the Arts, Arizona Commission on the Arts, City of Tucson Parks and Recreation and Arizona Designer Craftsmen. Learn to construct and use conforming wire dies to texture metals heavy enough to form bracelets. Heavy gauge steel wires will be formed into a variety of shapes using the hydraulic press. The conforming dies will be constructed by attaching the shaped wires to two heavy metal backing plates which are sandwiched together so the wires on one plate fit between the wires on the other plate - a two-part conforming die. The die halves are taped in registration to the two platens of the hydraulic press and form textures on metals sandwiched and pressed between them. A great variety of textures can be created by varying the wire diameters, their shapes as well as their spacing on the backing plates. Even a single die set can make a variety of textures by changing the angle at which the blank metal is sandwiched in the die. Participants will construct their own dies and use them to texture a bracelet blank. The textured blanks will be formed into bracelets using commercial anticlastic and synclastic bracelet forming dies in the hydraulic press. Approx. supply cost \$75; list will be mailed.
